**If we want to jumpstart the economy, it has to start with businesses doing business with other businesses!**

After all, what better way to grow your company than to network with the companies that are right on your doorstep? This is why we're starting a yearly tradition of throwing a business-to-business block party for ZIP Code 66213 at our new office in Overland Park. To be neighborly, we're inviting our friends from our former home in 66062 to be our guests this year as well.

**Come join the fun!**
